Hunters are pleased to bring to the market this well-presented three bedroom terraced home, offered with no onward chain and currently operating as a successful holiday let. The property can be sold fully furnished and would suit a range of purchasers including those looking for a permanent home, coastal retreat or investment opportunity.

The property offers spacious and well-balanced accommodation throughout, centred around a modern open plan kitchen, lounge and dining area. This bright and sociable space provides ample room for both relaxing and entertaining, with the kitchen flowing seamlessly into the living area to create a welcoming environment.

To the first floor, there are three well-proportioned bedrooms along with a three-piece shower room. The property also benefits from the added convenience of a separate downstairs WC.

Externally, the property enjoys a low maintenance, south-facing rear courtyard, providing a private outdoor space to enjoy. The property benefits from two allocated parking spaces — one being bay number 6, and the second located to the rear through the gates within the courtyard — offering ease and convenience for owners and visitors alike. Access is via a private road, with an annual maintenance contribution of approximately £200.

The property is presented in good condition throughout and has most recently been used as a successful holiday let.

Please note, the property is of non-standard timber framed construction.

This is a superb opportunity to acquire a versatile property in a popular coastal location. Early viewing is highly recommended.
