

4-5 White Cottages

Monkton Village, Jarrow, NE32 5NL

Guide Price £400,000

A rare proposition in a lovely village setting in the conservation area of Monkton, a pair of cottages to be sold as one entity on two titles providing tremendous scope to re design and renovate, subject to permissions. No 4 and 5 White Cottages have been in the same family for a number of years and the time has come to sell on. Each cottage has essentially two bedrooms although they are through rooms, a lounge and kitchen, one with cloaks WC and the other with a shower room. The gardens are open between the two homes at the rear and parking is on street. Viewing a must to fully appreciate. EPC G
