St. Annes Drive Wolsingham, DL13 3DG

Robinsons are delighted to offer to the sales market this substantial five-bedroom townhouse, providing an excellent opportunity for families seeking a modern and well-appointed home in the desirable Weardale village of Wolsingham.

The property is well presented throughout with contemporary décor and has been thoughtfully improved by the current owners. Notable features include a re-fitted en-suite to the principal bedroom, double glazed sash windows, and gas central heating via a combination boiler.

One of the standout features of the property is the double-width driveway to the front, complete with an electric car charging point, along with a south-west facing enclosed rear garden with convenient side access.

The internal accommodation briefly comprises a welcoming entrance hallway with cloakroom/WC. There is internal access to the utility room, which was previously the garage but has been cleverly converted to provide space for a washing machine, tumble dryer and additional appliances, while retaining useful storage space to the front.

The kitchen/dining room is fitted with a range of wall, base and drawer units, offering ample space for a dining table and featuring French doors opening out onto the rear garden.

To the first floor there is a spacious reception room enjoying far-reaching views to the rear aspect. This floor also offers two bedrooms and a family bathroom fitted with a three-piece suite including a bath with mains shower over.

A further staircase leads to the second floor, which features the impressive principal bedroom with a re-fitted en-suite shower room, along with two further bedrooms.

Externally, the property benefits from a double-width driveway to the front with EV charging point. The rear garden is fully enclosed, south-west facing, and designed for low-maintenance living, featuring a patio seating area and a large garden shed.

Location

The property is conveniently situated in the popular Weardale village of Wolsingham, which offers a good range of everyday amenities including shops, restaurants, public houses and a fuel station. The village also provides both primary and secondary schooling, making it particularly attractive for families.

Wolsingham benefits from a well-regarded play park and recreational sports area, along with an abundance of scenic countryside walks in the surrounding area. A regular bus service provides connections to neighbouring villages and towns, including Stanhope and Crook.

The village is also well positioned for commuters, being within a short drive of both Durham city centre and Bishop Auckland, providing access to a wider range of shopping, leisure and transport links.
