Ironworks Road Tow Law, DL13 4AJ

Robinsons are delighted to offer to the sales market this stunning two double bedroom detached bungalow, occupying a generous plot with mature gardens, off-road parking and truly breathtaking far-reaching countryside views.

In recent years, the property has undergone an extensive programme of renovation and improvement, resulting in a beautifully presented home finished to an exceptional standard. Quality fixtures and fittings feature throughout, while the property benefits from a gas combination boiler and UPVC double glazing.

The internal accommodation begins with an inviting entrance porch, complete with practical shoe and coat storage. This leads through to the dining area, which adjoins the lounge and centres around an impressive double-sided solid fuel stove, creating a wonderful focal point at the heart of the home. The lounge further benefits from French doors opening onto the rear garden, perfectly framing the spectacular countryside views beyond.

The kitchen is a standout feature of the property, extensively fitted with a quality range of wall, base and drawer units, complemented by a matching central island with breakfast bar seating. Integrated appliances include a gas hob and double oven, with additional space and plumbing for a fridge/freezer with mains water supply. A large built-in cupboard provides space for a washing machine. A vaulted glazed ceiling, together with French doors leading to the rear garden, floods the room with natural light and enhances the sense of space.

An inner hallway provides access to the two double bedrooms. The principal bedroom enjoys French doors overlooking the rear garden and surrounding countryside, as well as the added convenience of an en-suite WC. The stylish shower room is fitted with a contemporary three-piece suite comprising a walk-in shower enclosure, wash hand basin and WC, all finished with high-quality fittings.

Outside

Externally, the property occupies a substantial plot with beautifully maintained gardens stocked with mature hedging and established planting. To the front, the grounds have been designed with ease of maintenance in mind and offer a gravelled driveway providing ample off-road parking, a detached brick-built out building with electricity supply, ideal for storage, and a paved pathway leading to the entrance.

The rear garden enjoys the finest aspect of the property's outstanding views. A patio area, accessed directly via French doors from both the lounge and principal bedroom, provides the perfect setting for outdoor dining and relaxation. The garden is predominantly arranged in two sections: the first is laid mainly to lawn, enclosed by mature hedging and featuring a summer house and garden shed. Beyond this lies a productive garden, complete with vegetable plots and a polytunnels, ideal for buyers looking to embrace a more self-sufficient lifestyle and grow their own produce.
