## Howden Le Wear, DL15 8BH

Robinsons are delighted to present to the sales market this charming and beautifully improved three-bedroom home, which has undergone a thoughtful programme of renovation and extension in recent years. The result is a stylish and versatile family property, set against a backdrop of far-reaching countryside views and boasting a generous rear garden—ideal for buyers seeking both space and a semi-rural setting.

The accommodation is well-proportioned and flexible, featuring a ground floor double bedroom alongside a modern shower room—perfect for guests, multi-generational living, or use as an additional reception room or home office. To the first floor, there are two further double bedrooms and a contemporary family bathroom.

The home is warmed by oil central heating and enhanced by a log-burning stove, creating a cosy yet efficient living environment. Windows are UPVC double glazed throughout, and further benefits include quality wooden internal doors, Velux-style roof windows, a brick-built shed, and a private driveway.

Internally, the property briefly comprises: an entrance porch leading into an inner hallway with staircase to the first floor. The lounge is positioned to the front, enjoying delightful countryside views and centred around the log-burning stove. To the rear, the spacious kitchen/dining room is fitted with a range of wall, base, and drawer units, integrated hob and oven, and space for additional appliances and a family dining table. Completing the ground floor is the aforementioned double bedroom with French doors opening onto the rear patio, and a well-appointed shower room with a three-piece suite.

Upstairs, the first floor hosts two generous double bedrooms and a family bathroom, also fitted with a three-piece suite.

### Outside

Externally, the front of the property offers a driveway and a small garden area. To the rear lies a substantial garden, predominantly laid to lawn and enclosed by mature hedging and trees, providing privacy and an excellent space for outdoor living. A patio area and additional sheds further enhance the usability of the garden.
