Offered to the market sold as seen, this two-bedroom semi-detached property represents an excellent opportunity for investors, developers or buyers looking for a home they can refurbish and improve to their own taste.

Situated within the popular village of Thornley, County Durham, the property requires a programme of refurbishment but offers well-proportioned accommodation together with front and rear gardens. The property also benefits from double glazing and gas central heating.

The ground floor accommodation is entered via a hallway leading to the lounge and a good-sized kitchen/diner, which provides ample space for dining and has doors opening directly onto the rear garden.

With scope to add value through refurbishment, the property could make an attractive investment opportunity, potential rental property or project for an owner-occupier looking to create a home to their own specification.
