General description

This exceptional four-bedroom detached executive residence offers a rare blend of bespoke architectural craftsmanship, expansive contemporary living, and an extraordinary plot size of just under an acre. Extending over a generous 192.3 square metres (2,069.5 square feet) including the integral garage, the property has been finished to an exemplary specification throughout. Built by local craftsman builders Sovereign Build with Liebre Developments, in 2018, this appealing, turn-key family home stands out for its superior interior finishes and its truly magnificent, garden leading into a small paddock/ meadow area which adjoins peaceful East Yorkshire countryside.

The ground floor is approached by an impressive central reception hallway featuring light wood-effect flooring which extends throughout the ground floor. A bespoke solid oak staircase detailed with sleek clear glass balustrade panels. To the front, a formal living room is centred around a recessed log-burning stove set beneath a rustic timber mantel and illuminated by a large bay window. To the rear sits the stunning open-plan living kitchen and dining hub—a social entertainer's showpiece featuring timeless shaker cabinetry, multiple integrated appliances, quartz worktops, and an expansive central island with a downdraft induction hob and designer amber-glass pendant lighting over. Adjoining the kitchen is a very large walk-in pantry as well as a separate utility room leading to the ground floor cloakroom. Another benefit of the very well-thought out ground floor is a dedicated front-facing home study also suitable as a play room.

On the first floor, the galleried landing leads to four beautifully styled double bedrooms all with bespoke fitted roman blinds and three high-spec bath/shower rooms. The principal master suite is an expansive retreat complemented by an ensuite shower room and a dedicated walk-in dressing room fully fitted with bespoke shaker wardrobes. Bedroom two also enjoys its own private en-suite shower room, while bedrooms three and four offer generous double bed proportions. The accommodation is completed by a boutique hotel-style family bathroom, fully tiled in polished white marble-effect tiling and showcasing a statement freestanding double-ended slipper bath alongside a separate walk-in shower.

The exterior of the property is a standout highlight, approached via an expansive gravel and block-paved driveway with brick pillars with lanterns, a five-bar timber gate, and an EV charging point fitted to the garage exterior. To the side, the property boasts an extraordinary plot rarely found in modern homes: a vast, flat lawn stretching far back to an open post-and-rail boundary with an adjoining small, versatile paddock/ meadow area overlooking rural fields. This versatile garden / paddock / meadow land, measuring circa 0.8 of an acre, lends itself to a variety of uses: an expansive formal garden, grazing for small animals or a small pony, a mini golf course or even an allotment and wild flower meadow. The area is overlooked by a wide stone-flagged sun patio which extends directly from the living kitchen French doors, where there is power and standing space for a hot tub, creating the ultimate setting for alfresco dining, family gatherings, and outdoor relaxation.
