7 George Street, Selby, YO8 5AH

Asking Price £137,500

Situated in a quiet location, close to the town centre not far from the old toll bridge. This property has bags of appeal, being of solid construction. Having been rented out for several years and having recently had new double glazing to the windows to the rear. The property would benefit from light renovation and modernisation, which could be a D.I.Y project for someone so inclined. For room dimensions and layout see floorplan.
