Hutton Cranswick

Hutton Cranswick is a pretty, much sought-after village, which is made up of two conjoined villages.

The village of Cranswick has a large, picturesque village green, reportedly the largest in East Yorkshire, with a children's play area and a pond. An annual village show is held on the green along with other family events. The area offers excellent walking routes with many well-maintained public footpaths leading from the village centre offering circular walking routes of varying lengths. Cycling is very popular in the East Riding and East Yorkshire wolds area owing to the existence of a large network of open country roads. Other amenities within this popular village include: a bowls club with bowling green, a post office and general stores; a hairdressers, a fish and chip shop, a prestigious butcher's shop, a village pub; a farm shop and cafe, a garden centre and cafe and 3 garages. On the outskirts of the village there is a small industrial estate where various small businesses are located. Cranswick also has a thriving methodist church, a WI hall and a well-regarded primary school.

In the smaller village of Hutton there is a church of England, St Peter's; a fishing lake and a sports and recreation centre with tennis courts and a football ground. There are regular sports' activities and clubs held at the WI hall: the Methodist hall and at the Sports and Recreation club. The village offers regular entertainment for residents including: a gardening club, WI meetings, children's activities, film nights and an annual village car boot sale. Local events are advertised in The Bulletin delivered monthly to houses in Hutton, Cranswick and Watton.

The village has its own railway station and is ideally located for those wishing to commute to Hull, York or the east coast. The historic town of Beverley can be reached in approximately 10 minutes by train and approximately 15 minutes by car. Hull can be reached by train in approximately 25 minutes or approximately 40 minutes by car. York can be reached in approximately 50 minutes by car. Bridlington is just a 20 minute drive away or can be reached in a similar time by train. The 41 Hull to Bridlington bus runs at the top of the village on the A164, from 7am, every hour, daily.
