

5A Woodstock Gardens , Melksham, SN12 6AN

Lock and Key independent estate agents are pleased to offer this unique, one bed end terrace property situated on the favoured Morgans development. Its so much more than a flat as this property allows you freehold possession with no service charges or annual maintenance fees, with also the luxury of a driveway for two cars, a low-maintenance garden and light & airy open plan living space.

Council tax band A and conveniently located to the shops and town centre, there is terrific road links to Bath, Bristol, Chippenham and elsewhere in the South West.

In our opinion its inexpensive to maintain, it is also easy to heat - it has gas heating and new double glazing just over a year old.

It's deceptively spacious and double glazed throughout, you enter the house into the integral kitchen area, with Electric hob, oven, refrigerator and space for a washing machine. beyond this space is a light, airy living room area served by french windows onto the garden.

Upstairs is the bedroom with natural light from the large window, and loft access. A shower room, includes storage space beside the shower cubicle.

In all, this would be a perfect property for rental investment or a Starter home for first time buyers, or trading down.
