LOCATION

With easy pedestrian access to Downderry Beach via a short footpath from the estate, Pendower is situated in a small cul-de-sac (of just eight individual houses and bungalows) with wide beach frontage and fabulous sea and coastline views. This is a prized location on a stretch of coastline often referred to as the Cornish Riviera and within a short and relatively level walk to the village centre and amenities.

The constant passage of commercial, naval and pleasure craft across the bay, provides an extraordinary, distracting and inspirational outlook.

The crystal clear waters of Whitsand and Looe Bay are renowned for bathing, surfing, kayaking and all manner of watersports.

Within the bay diving trips to HMS Scylla can be seen, the ex-Royal Navy frigate was sent to the bottom of Whitsand Bay on March 27th 2004, to become an artificial reef. Since then the wreck has enjoyed lasting success with dive trips and provides a home to a community of marine life, Whitsand and Looe Bay are officially designated Marine Conservation Zones and noted for the abundance of marine flora and fauna. Downderry lies within an Area of Great Landscape Value.

Downderry and Seaton have a community shop, primary school, restaurant, beachside public house, church, bistr and doctors' surgery. Similar facilities are available at St Germans, which also has a main line railway station providing a useful commuter link to Plymouth (Plymouth to London Paddington 3 hours). Seaton also has a Countryside Park with riverside and woodland walks. There is also a very popular farm shop at Widegates with cafe and catering for most day to day needs.

Downderry was in recent years noted by the Sunday Times in a list of the top ten "Best Places to Live by the sea". Golf is available at Portwrinkle, St Mellion International Golf Resort, or Looe Bindown. The South West Coast Path is accessed nearby with parts of the neighbouring coastline in the ownership of the National Trust. The beach has a slipway and offers the opportunity to keep and launch boats (by permit). Seaton beach benefits from a RNLI Lifeguard station during the summer.

The sailing waters of the area are favoured by yachtsmen and deep water moorings are available on the Rivers Lynher and Tamar at St Germans, Saltash and Fowey/Polruan. Saltash has a Waitrose store on its northern outskirts and the city of Plymouth offers an abundance of facilities centred around the historic and fascinating waterfront areas of the Barbican and Hoe. The Tamar Valley Area of Outstanding Beauty, the famous surfing beaches of North Cornwall, the Rame Peninsula, Mount Edgecumbe Country Park, historic country houses and many other places of interest lie within an easy drive.
