Introduction

This homely three bedroom attached cottage oozes country charm and is situated in a quiet position on the edge of the popular Herefordshire village of Luston. It benefits from having a lawned garden and boasts an array of character features to include exposed beams, fireplace and wooden flooring. Offering deceptively spacious accommodation comprising: kitchen, living room, three bedrooms, a family bathroom and cloakroom.

Property Description

Entry begins into an entrance alcove where there is a place to hang coats and hats and stairs to the first floor. The charm of this cottage is immediately striking. The exposed timbers, open wooden staircase with spindles and cottage style windows and doors add welcoming country cottage feel that truly befits a home in the countryside. To the left is a kitchen with an attractive selection of floor units under oak worktop that brings out the beauty and warm tones of the exposed timbers. There is a free-standing electric oven and housing for a dishwasher and washing machine. The window above the sink overlooks the private garden and countryside beyond.

On the first floor is the master bedroom, bathroom and a separate cloakroom. The master bedroom is dual aspect with countryside views. There is opportunity to create a dressing room at the far end as there is ample room for the placement of various items of bedroom storage furniture. The bathroom has been cleverly designed and well styled with the benefit of under stair storage. There is a slipper, free-standing bath with feature mixer tap, WC, hand basin and shower cubicle with modern, chrome fittings. There is a separate cloakroom with WC and hand basin next door (with over the stairs storage and separate airing cupboard) to make the morning routine a little easier.

On the second floor are two bedrooms. Bedroom two is again of a generous size, currently set up with double bed and TV with sofa area. It is dual aspect and comfortably fits within the eaves of the home. Bedroom three is currently set up as a home office. Both bedroom two and three have exposed wooden floor boards. There is loft access in bedroom three.

Garden & Parking

The garden enjoys undisturbed views of fields beyond. It is mainly laid to lawn with quint essential piquet fencing boundary, a timber shed for garden storage and an area of patio for moments of al fresco dining.

There is parking for two vehicles indirectly outside the property and the driveway approach is shared.
