Introduction

A semi-detached cottage situated on the outskirts of popular Pembridge and occupying a generous plot with an attractive and rural aspect. Internally comprising: entrance hallway, ground-floor bathroom, kitchen, boiler room/pantry, sitting room, two bedrooms and a 'Jack & Jill' shower room. Externally, the property offers: a stone/brick outbuilding, ample driveway parking, timber cabin and good sized front garden.

Property Description

Entry begins into an entrance hallway with canopied porch ideal for leaving muddy wellies and rain coats outdoors. There is room in the hallway for further storage of coats, hats and shoes and a little window overlooking fields. There is direct access straight ahead to a bathroom with slipper bath, WC and intricate hand basin with tall, brass tap. The floor has been laid with patterned, handmade tiles which continue from the hallway. To the right of the entrance is the kitchen. There are wall and base units here in a simple, shaker style finish with housing for a dishwasher and fridge and a Smeg range to please even the keenest of cooks. The red quarry stone tiles on the floor and central window giving glorious views across the front garden make this room a real country delight. A small table and chairs could be placed here if desired. Off the kitchen is a boiler room/pantry with housing for a freezer and shelving for surplus kitchen gadgets.

Also off the kitchen is a welcoming sitting room blessed by rural views to the front and rear of the property. It also benefits from having oak parquet flooring and a wood-burner with fireplace surround. There is a door here that leads to the front of the property and can be used as a separate entrance if otherwise required.

On the first floor are two bedrooms and a 'Jack and Jill' bathroom. The master bedroom is a good sized double and enjoys wonderful views of adjoining farmland from its dual aspect windows. The Jack and Jill bathroom has a calming, country cottage vibe with tongue and groove finish, corner shower cubicle, heated, chrome towel rail, feature hand basin with vanity housing below and in-built cupboard storage. Bedroom two is a double with fireplace and again, un-spoilt rural views.

Garden

There is a large garden to the front, mainly laid to lawn with attractive borders. Views across open farmland.

Outbuildings & Parking

There is a large driveway to the front of the property alongside the garden with parking for several cars.

Adjoining the house is a half stone/half brick outbuilding divided into two sections. The first has side access from the driveway and has housing for a washing machine and dryer and a sink with base unit. The second has front access and is currently used as a wood store and for garden storage. There is a timber cabin within the garden which is positioned at the end of the private driveway giving a little bit of privacy from the main house.
