### Property Description

Entry into 29 Mill Street is into a reception room of huge historical character. Exposed beams, timber framing, inset wood-burner with stone hearth, inset shelving and sash windows all create a surprising welcome into this market town property. Also on this floor is a kitchen/breakfast room with a door leading out into the garden. The kitchen has a range of wall and floor units with electric hob top and single oven under, sink with a view of the garden, housing for a washing machine, room for a table and chairs and wooden doors of great detail and historically appropriate for the age of the property.

On the first floor are two bedrooms. Bedroom three has a window with rear aspect, exposed timber framing and in-built cupboards. Bedroom One, which would lend itself to being a master or additional reception room if required, has a front aspect with two in-built cupboards and exposed timber framing.

On the second floor is a bedroom in the eaves and family shower room. The bedroom has front aspect, in-built cupboards and exposed timber framing. The family bathroom has a shower cubicle, hand basin, WC and chrome towel radiator.

### Garden

29 Mill Street has a surprisingly big garden with panel fencing marking the boundary and a timber shed at the far end for storage needs. There is also a second shed of corrugated iron construction.
