The property also benefits from: gas heating and fully enclosed, easy to maintain garden.

Property Description

The front door of the property enters the hall which provides useful space to keep boots and coats and also allows access to the cellar which again allows for ample storage space. The living room which can be accessed from the hallway is a light and cosy room with three windows to the front, a gas fireplace and exposed oak beams which add a great sense of character to the room. Opposite the living room is the dining room which has laminate flooring and double doors which lead into the sun room and overlooks the garden. The kitchen has been fitted with matching wall and base units with an integrated oven and hob and a recess for a fridge/freezer. A door from the kitchen leads into the garden from where the utility and cloakroom can be accessed. The utility provides space and plumbing for all other household appliances and the cloakroom has been fitted with a two piece white suite.

On the first floor there are four bedrooms. Bedrooms one, two and three are all double rooms and bedroom four is a spacious single. The shower room is a great size and fitted with a three piece white suite, heated towel rail and lino flooring. The vendor recently replaced the bath with the walk in shower. One of the property's great benefits is that it provides ample storage space and this can also be found on the second floor in the loft room which is accessed by a staircase from the landing.
