Introduction

Situated in the sought after village of Yarpole is this detached home of red brick construction which has accommodation comprising; utility room, kitchen, dining room, sitting room, entrance hallway, cloakroom, four bedrooms, family bathroom and loft access. In addition there is an attached garage, driveway parking and a private rear garden overlooking fields.

Property Description

Entry begins into a light and airy entrance hall with stairs to the first floor, under stair cupboard and a cloakroom with WC and hand basin. To the right is a spacious reception room with dual aspect and an open fire (there is space for a wood-burning stove) with stone surround. Sliding doors lead out onto a patio area framing rural views as the private, rear garden backs onto open fields. An internal set of double doors lead onto a second reception room that links to the kitchen. This would ideally make a formal dining room if desired or there may be potential to open up and create a kitchen/diner. The room benefits from having glorious countryside views from its rear aspect window and a hatch to the kitchen for serving food. The adjoining kitchen has a range of wall and floor units that could benefit from updating. There are integrated appliances which need replacing. Separate from the kitchen is a utility room with housing for a washing machine and tumble dryer, a sink unit and space for an additional fridge or freezer. There is also a door from the kitchen that leads out to the attached garage.

On the first floor is a galleried landing with loft access, storage cupboard and access to four bedrooms and a family bathroom. Bedroom one has rear aspect making the most of the home's rural setting. The room is a good sized double with in-built cupboard storage. Bedroom two is also a double with rear aspect and its own in-built storage cupboard. Bedroom three is a good sized double of square proportion. Next door is the family bathroom which is generously sized to include a four piece suite. The room could benefit from updating. Remaining on this floor is bedroom four which is a single with in-built storage cupboard and views to the front of the property. This room could lend itself to becoming a home office, dressing room or second bathroom if otherwise desired.

Garden

The front garden is mainly laid to lawn with mature boundaries of hedging and fence paneling.

The rear garden is private and well secured with an enviable back drop of rural countryside. It is mainly laid to lawn with an area of patio to the rear of the property.

Garaging & Parking

There is driveway parking to the front of the property for several vehicles. There is an attached garage with up and over door, power and lighting and the boiler is housed here.

Services

Oil fired central heating and mains water and electricity.
