Introduction

Newly built Border Oak, semi-detached barn offering three bedrooms (master with en-suite), family bathroom and open plan kitchen/dining room and sitting room, utility room and cloakroom. Offering immaculate and well designed accommodation with driveway parking, rear garden, planning permission for a garage and no vendor chain.

Property Description

Entry begins under an oak and slate canopy into an open plan hallway with oak flooring and room for decorative storage furniture. There is a storage cupboard under the stairs for the hanging of coats and hats and the hiding of outdoor footwear. The ground floor has underfloor heating throughout. To the right is a kitchen/dining room which has been well designed and tastefully styled. Oak worktops mirror the exposed oak framework above giving the room country cottage character. There is a range of new shaker style cabinetry to include an integrated dishwasher and fridge/freezer. Further benefits include a Belfast sink and Rangemaster electric range with extractor hood over and space for a 4-6 seater dining table and chairs. Just off the kitchen/dining room is a utility room with cabinetry matching those in the kitchen. There is an additional sink, housing for a washing machine and tumble dryer (both to be included in the sale) and door to the garden. A sliding oak door leads into a cloakroom with white porcelain hand basin set on an attractive chrome pedestal, WC and window out for added light and ventilation.

To the left of the entrance hall is a sitting room of dual aspect with bi-fold doors leading out onto the garden. This coupled with ceiling spot lights creates a bright, airy and welcoming space. The exposed oak timber framing here echoes that found within the kitchen/dining room providing a pleasing and cohesive flow from one room to the next. Whether cooking and entertaining for family and friends or relaxing alone on a quiet afternoon the ground floor lends itself well to all needs.

To the first floor are three bedrooms (master with en-suite) and family bathroom. The three bedrooms, landing and stairs have all been newly carpeted and benefit from having underfloor heating with individual thermostatic settings. The landing is well lit due to the installation of a window above the stairwell. The master bedroom is a good sized double with dual aspect and benefits from having its own en-suite facilities with large shower cubicle, window with countryside views, WC, hand basin on a stylish chrome pedestal and chrome towel rail. The second bedroom is a double with side aspect and double door fitted cupboards. The third bedroom has a storage cupboard and a Velux window with countryside views; it would lend itself to becoming a home office or dressing room if otherwise desired. The family bathroom has a three piece white suite of bath, WC and hand basin with chrome pedestal, chrome towel rail and a window to the front of the property.

Garden & Parking

There is parking to the front and side of the property for several vehicles on a gravel stone surface. The boundaries are demarcated with dwarf walling, timber post and rail fencing and newly established hedging. There is planning permission for a garage to be erected to the side of the property.

Colourful planting in oak sleeper borders coupled with a frontage of attractive stone and oak timber boarding give this home classic country kerb appeal. The rear garden is a blank canvas ready for any green fingered buyer who wishes to put their own stamp on the landscaping of their new home. There is an area of freshly laid patio for alfresco dining and entertainment.
