Introduction

An inviting family home situated on the edge of the popular village of Shobdon with village shop, public house and a number of scenic walks from the doorstep. The property has accommodation comprising; entrance hall, cloakroom, utility room, sitting room, snug, kitchen/dining room, four bedrooms, one with en-suite and a family bathroom. There is also a generously sized garage, parking and an enclosed garden.

Property Description

Entry begins into an entrance hallway with stairs to the first floor and a great first view out to the pretty back garden through the sliding french doors directly ahead. To the left is a sitting room with dual aspect and views to the front and rear of the home. The wood-burner with granite hearth and sliding french doors out to the private garden make this a really pleasant bright, yet cosy room for catching up with family and friends or watching a good movie on a Winter weekend. Directly ahead of the entrance hall is a second reception room currently used as a snug but with its addition of sliding french doors could become a great home office/play room or hobby space if otherwise desired. To the right of the entrance hall is a kitchen with feature arch adjoining dining room. The kitchen has a selection of wall and floor units with a gas oven, plumbing for a dishwasher and room for a tall fridge/freezer. The adjoining dining area can accommodate a table and chairs and some decorative furniture. Also off the kitchen is a utility room with cloakroom. The utility has plumbing for a washing machine, a selection of wall units, work top for electrical goods, wall mounted boiler and a door out to the garden. The cloakroom has a WC and handbasin.

On the first floor are four bedrooms, one with en-suite and a family bathroom. Bedroom one has front aspect with room for wardrobes and an en-suite with bath, wc, hand basin and window out. Bedroom two has front aspect and is a good sized double with fitted sliding door wardrobes and room for an assortment of bedroom furniture. Bedroom three is currently set up as a home office but could be a single bedroom overlooking the garden with rear aspect. Bedroom four is currently set up as a home library but could become a single bedroom or dressing room. The family bathroom is attractively styled with large shower cubicle, wc, hand basin and airing cupboard.

Garden

The front garden is mainly laid to tarmac for parking but has the most glorious cherry blossom tree against a half wall, half hedge boundary.

The rear garden is cleverly designed showing interesting levels and maturity. Nearest to the french doors of the two reception rooms are several patio areas for both dining and social lounging. The remainder is laid to lawn interspersed with ornamental trees and a mature boundary of shrubbery and trees ensuring privacy and interesting lines of shadow and colour. There is a shed for the storage of garden tools.

Garage & Parking

There is secure gated driveway parking for several vehicles. There is also a generously sized garage with up and over door and a section toward the back for dryer, utility storage and a personnel door out into the garden.
