Introduction

Positioned on the outskirts of Weobley, number 27 Burton Wood is a semi-detached family home with accommodation comprising: boot room, ground-floor shower room, hall, sitting room, dining room, kitchen, pantry, conservatory, three bedrooms and family bathroom. The property also benefits from: wood-burner, oil heating, double glazing, off road parking for several vehicles, timber sheds, car port lean to, front garden and fully enclosed rear garden.

Property Description

As traditional to rural lifestyle entry begins under the car port and through a side entrance. Here is a useful boot room where there is housing for a washing machine and access to a shower room. The shower room is ideally located for families requiring additional bathroom facilities or those with pets and outdoor hobbies and consists of: WC, hand basin, shower cubicle, radiator and tiled floor. Access is then given into an inner entrance hallway where we find the front door with porch, stairs to the first floor and entry into a dining room, sitting room and kitchen. The dining room has front aspect with a fireplace that could be re-instated if desired. This room could lend itself to becoming a second sitting room, ground-floor bedroom or home office if needed. The sitting room also has front aspect and the vendors have installed a wood-burner on slate hearth for those cooler Winter evenings. Either side of the fireplace are recesses for storage and there are double doors that lead into a conservatory erected in 2005. The conservatory cleverly brings the outdoors in giving 180 degree views of the rear garden. The view confirms what a generous plot number 27 has. It would be ideal for families, pets, keen gardeners or simply those who enjoy space and outdoor entertainment. Although currently set up with comfortable seating the room would lend itself to dining as it conveniently links back to the kitchen. The kitchen has a range of wall and base units, gas range (LPG Bottle Fed), housing for dishwasher and space for a tall fridge freezer. The vendors have cleverly added a drop leaf breakfast bar for occasional dining also. Just off the kitchen is a pantry which houses the boiler. There is shelving for pantry goods and power here.

On the first floor are three bedrooms, loft access, family bathroom and airing cupboard. The landing is well lit by a window over the stairs and has room for decorative furniture. The master bedroom has a decorative fire surround, windows to both the front and rear and room for an array of bedroom furniture. Bedroom two, a double bedroom, has front aspect, decorative fire surround and room for bedroom storage furniture within the recesses of the fireplace. Bedroom three has rear, garden aspect and is currently set up as a double bedroom. The family bathroom has a bath with shower over, hand basin and WC with vanity housing, radiator and window for added light and ventilation. The airing cupboard can be accessed from here.

Garden

The front garden is mainly laid to lawn with hedge boundary and a wrought iron gate fronting a pathway to the main entrance.

The rear garden is of a generous size and well secured. It is primarily laid to lawn with patio areas for al fresco dining at the far end of the garden and adjoining the doors of the conservatory. There are two timber sheds for garden storage, one having windows and being a good size that could possibly become a garden room for a number of purposes: hobbies/reading? There is also a timber gazebo used for seating and well placed for enjoying quiet moments in the garden.

Parking

There is driveway parking for several vehicles and a carport attached to the side entrance of the home.
