Introduction

Charming Moreton Cottage offers the following accommodation: Entrance hall, kitchen/diner, sitting room, additional reception room, conservatory, ground-floor bathroom, utility, two bedrooms and first floor shower room.

Property Description

Entry begins into a hallway where coats and hats could be stored. To the right is a dual aspect reception room which would make an ideal study, bedroom or hobby space. To the left is a sitting room with an impressive inglenook fireplace with stone hearth and wood-burner. The room is dual aspect and has cottage type casement windows of generous proportion making the room light and airy. The room also benefits from having: exposed beams, wooden flooring and a door to the first floor. Adjoining the sitting room is the kitchen/dining room. The room is triple aspect and has the same wooden floors as the sitting room, coupled with a wide open entrance creates a really lovely open flow from one space to the next and unusual for a cottage of this type. The kitchen has a modern kitchen design with a range of wall and floor units. There is an electric oven and hob with extractor hood, a sink under a window, housing for a fridge/freezer and tiled flooring. To the left is access to: a conservatory, shower room, inner hallway and utility with door out. The inner hallway provides further opportunities for the storing of coats and outdoor footwear and leads round into the utility room. The utility room has a range of cupboards with work top, sink and housing for a washing machine. The shower room has a bath with shower over, wc, hand basin and chrome towel rail. The conservatory is well placed for flowing from the kitchen/diner and out into the garden. There is a generous sized patio area adjoining the double doors and its positioning makes the most of the private gardens beyond. What a lovely place to admire the garden and timber detailing of the exposed walls from the sanctuary of this glazed room.

On the first floor are two bedrooms and a shower room. The landing is of a generous size with two windows enjoying views of the garden. There is room here for a desk. The master bedroom enjoys exposed beams, cottage style windows with views of the private garden, in-built storage cupboards and room for a range of bedroom furniture. Bedroom two is dual aspect and has exposed beams, in-built storage and again views of the private garden. The shower room is nicely designed with a modern shower cubicle, wc and hand basin with vanity unit.

Agent's Note

In accordance with The Money Laundering Regulations 2007, Cobb Amos are required to carry out customer due diligence checks by identifying the customer and verifying the customer's identity on the basis of documents, data or information obtained from a reliable and independent source. At the point of your offer being verbally accepted, you agree to paying a non-refundable fee of £24 inclusive of VAT per purchaser in order for us to carry out our due diligence.

Agent's note

The vendor has informed us of the following: There was some flooding on 2 Jan 2024. After a period of much higher rainfall than usual the drainage system couldn't cope with the runoff coming down the track to the cottage and water came into the premises via the front gate. This had not happened at any time during the vendor's ownership of the property (since 2000). The patio area had standing water on it and some did enter the property via the ventilation airbricks at ground level. It was no more than 1 or 2 cm deep inside and caused no permanent damage. We have since improved the drainage with storm drains and French drains around the cottage to a level which we feel would easily have coped with the situation, and would cope with one far more severe.

DIRECTIONS

Take the B4361 out of Leominster town and head for the village of Luston. Pass The Balance Inn on your right and take the next turning on your right onto Eye Lane. On arrival into Moreton follow the sign for Moreton Farmhouse which will be on your right, take the following right through the middle of a field and the property will be down there on the left hand side.
