Introduction

Situated in a mature residential area within the village of Weobley is this detached bungalow standing in a quiet and sought after residential plot. The property has accommodation comprising: porch, entrance hallway, sitting/dining room, conservatory, kitchen, three double bedrooms, three bathrooms and cloakroom. In addition there is a garage and driveway parking.

Property Description

Entry begins into a useful porch area. The accompanying entrance hall is a welcoming, light space from which all rooms flow effortlessly to and from. To the left is a sitting/dining room with access to bedroom one with en-suite and a conservatory. The sitting/dining room is well lit by a large window to the front aspect and french doors to the rear conservatory and garden entrance. The room is generously sized with room for a good selection of sitting and dining furniture. The adjoining bedroom is currently set up as a single but would lend itself to becoming a home office for those that work from home or a hobby space due to its french doors out onto the garden. The room has en-suite facilities with shower cubicle, wc, sink and plumbing for a washing machine so would easily become a linen/utility space if required. There is a window out for added light and ventilation. The conservatory enjoys full views of the private rear garden and has doors at both ends to spill out onto the patio for al fresco dining in the Summer months. For the Winter there is a wood-burner to ensure longer season use of the room. There is also a useful door leading into the kitchen. The kitchen is a light and airy room due to having two doors leading out into the garden and conservatory. It has a range of wall and floor cupboards and room for dresser furniture and a breakfast table. There is an electric hob with extractor hood over, waist height electric oven and housing for a dishwasher and fridge/freezer. The boiler is also housed here. Back into the entrance hall and to the right is a cloakroom and two double bedrooms both with en-suites. The cloakroom has a WC, hand basin and window out. Bedroom two is a double with garden views and its own en-suite facilities. There is room for an array of bedroom furniture. The en-suite is a generous size with full size bath, shower cubicle, WC, bidet and has a window out. Bedroom three is a double with front aspect. It has fitted wardrobes and its own en-suite facility. The en-suite has a bath with detachable shower head, shower cubicle, WC and hand basin. The room is fully tiled and has a window out.

Garden

The front garden is mainly laid to lawn with a border of mature shrubbery and some ornamental trees. The rear garden has a good area of patio circling the conservatory for moments of Summer dining or restful lounging. There is a pergola for sheltering from the sun and mature hedge and shrubbery boundaries to ensure privacy and levels of interest.

Garage & Parking

There is driveway parking for several vehicles to the front of the property. There is an open fronted car port in front of a garage with double doors to the front and side personnel door, light and power.
