Introduction

7 Baker Lea is a semi-detached three bedroom family home set within a popular Herefordshire village just a short drive from the market town of Leominster. Accommodation consists of the following: entrance hallway, two reception rooms, kitchen/diner, Cloakroom, three double bedrooms, driveway parking and large gardens with a variety of storage sheds, cabin and logia.

Property Description

Entry begins into an entrance hall for welcoming arriving guests. Directly opposite is a room currently set up as a home office but could equally lend itself to being a second reception room or ground-floor bedroom. It has hard flooring and views to the rear garden. To the right of the hallway is a sitting room with dual aspect windows to the front and rear of the property and a wood burning stove with tiled surround for those cosy winter months spent indoors. The room also benefits from having hard flooring. To the left of the entrance hallway is a generously sized kitchen/diner with tiled flooring and views to the front and rear of the property. The kitchen has a range of wall and floor units, belfast sink, ample work top and space for free-standing appliances (dishwasher and oven). The dining section is beautifully lit by patio doors out into the south facing garden. There is an additional open section here for a large fridge/freezer, washing machine and other appliances alongside large storage cupboards for hiding all those necessary household goods. A further entrance area to the front parking can also be found here allowing an array of family coats and shoes to be hidden away next to a useful cloakroom with WC and wash hand basin; the perfect entrance for muddy paws and walking boots. On the first floor are three bedrooms and a family bathroom with a light and airy landing area. The master bedroom is of generous size with windows to the front and rear of the property and ample storage cupboards. The second bedroom is a double with views across the back garden and room for wardrobes and chest of drawers. The third bedroom is a double with space for storage and enjoys views of the back garden. It could lend itself to being a dressing room or home study if required. The family bathroom has a full standing bath with shower over, WC and wash hand-basin in neutral white and a window for ventilation and additional light.

Garden & Parking

7 Baker Lea enjoys a large south facing garden which has a large timber built garden cabin (5.17m x 3.36m) which could be used a number of different ways: storage or pleasure. There is a large decked seating area for outdoor dining and an additional covered seating area for enjoying the garden no matter the inclement weather. The majority of the garden is laid to lawn and is enclosed on all sides by paneled fencing ideal for families with children and pets. Furthermore, there is a useful storage area to the rear of the cabin.

The property has a generously sized driveway for the parking of several vehicles.
