Introduction

This semi-detached two bedroom bungalow sits in the village of Knucklas near the border town of Presteigne. It has undergone recent improvements to include solar panels and batteries and new double glazed uPVC windows throughout. The property has gardens to the front and rear, on street parking and two very hand store rooms off the back of the property.

The accommodation comprises: hall, living room, kitchen/breakfast room, two bedrooms, utility, bathroom, rear porch and store rooms.

Property description

The front door leads into the hall with doorways leading off to the accommodation. To the front you have the living room with large window overlooking the garden and across the hall you have the smaller second bedrooms, which could be a very handy office. Further down the hall you have the bathroom to your right which is fitted with a white suite with an electric shower over the bath. There is also an airing cupboard which houses the oil fired boiler. From the hall at the end of the hall you find the main bedroom, overlooking the garden and the utility room which has a range of wall and base units. Then there is the kitchen/breakfast room which is fitted with a range of wall and base units, space for fridge/freezer, washing machine and an electric oven. A door leads out to the rear porch with doors leading into the garden and then doors into the store rooms, one with a workbench the other perfect for recycling boxes and garden equipment.

Gardens and parking

The property is approached via a timber gate and is fenced to the front and sides with a concrete path leading to the front door and down the side of the property and a lawn area to the front. A timber gate leads through into the rear level enclosed garden with patio area off the side of the rear porch and then lawn to the far end. There is a further patio area with gravel to the far side under the bedroom window and the oil tank sites to the rear of the store rooms.

Location

Located on a no through lane with three other dwellings near Knucklas which is a small rural village with a Viaduct with houses nestled at its base surrounded by lovely Welsh countryside. Knucklas has a strong community with projects such as the Community Land Project which has meant the village owns the castle and field, with allotments available to residents, and a popular public inn. The village has strong links with local artists, several are based in the village, and the walking community. The village has its own train station on the Heart of Wales line with links to Swansea and Shrewsbury and is situated a couple of miles away from the market town of Knighton which offers a range of services to include supermarket, post office, pharmacy, doctors, dentist, shops, leisure centre and primary school.

Services

Mains services connected are electricity, water and drainage. The property also has solar panels on the roof which have batteries to store your generated energy.

Agents notes - Construction
