Introduction

Shenstone was purchased by our vendor in 2021 and over the last four years they have systematically updated the property and created a lovely home taking full advantage of the views across the rear garden. The list of improvements include new kitchen, new boiler, new windows to include bi-fold doors in the living room and patio doors in the bedroom, decorated, externally painted with new gutters and soffits and the overgrown garden redesigned to provide large but easy to maintain lawn and patio. There is genuinely very little left to do other than move in and put your feet up!

Property Description

Enter through the front door and you are immediately into the hallway where there is a large coats cupboard and access to all rooms. Turning left along the hall the first room on the right is the living room which is a spacious room with central fireplace and inset wood burner. This room then flows into the dining area which has full height and length bi-fold doors leading out on to the patio and rear garden and is a fabulous feature. This then extends in to the modern Gloss White kitchen with contrasting work surfaces and built in dishwasher, fridge and two electric fan ovens as well as an induction hob with extractor. There is an inset 1.5 bowl inset sink with routed drainer and imaginative brass effect splash-backs and a breakfast bar.

The conservatory/sun room is located off the dining area with doors to the patio areas and a Upvc vaulted ceiling with Velux window and heating which makes this room useable throughout the year. Off the kitchen is the rear lobby where there is a well used pantry cupboard and adjacent is an additional WC. This in turn leads through to the well organised utility room which also houses the modern Worcester Bosch gas boiler. Finally returning to the main hall and on the left is the third bedroom which has dual aspect windows and overlooks the front of the property. This room can easily be adapted to become an office/study or hobbies room.

At the other end of the bungalow is a door off the hallway which leads to the bedroom area where you will find the modern shower room finished in white, another storage cupboard and then bedroom two is a double room on the left and the main bedroom is to the rear with modern double glazed patio doors leading out on to the rear garden. There is also the ensuite shower room which again is finished in white and a range of fitted wardrobes.
