DESCRIPTION

Fishpool Gate offers a seldom opportunity in today's market to acquire a detached house with adjoining outbuildings and grazing land in a scenic location, which will no doubt be of keen interest to equestrians and other livestock users. The house itself offers well proportioned accommodation with scope to extend and improve subject to necessary planning permissions. The ground floor accommodation comprises an entrance hall which leads through to a spacious living room with fireplace, separate dining room and breakfast kitchen, together with a conservatory and ground floor bathroom. To the first floor, there are currently 5 bedrooms and a WC. It should be noted that with some reconfiguration an additional bathroom could potentially be moved to the first floor if required. Outside, there is a generous amount of driveway parking which gives access to a number of outbuildings including garaging. The gardens are predominantly positioned to the rear and comprise a generous orchard which offers a number of different specimen trees. In addition, there are lovely flowing lawns. The land is positioned at the far end of the driveway and can also be accessed off the lane. The land is provided in one parcel and laid to pasture.
