## DESCRIPTION

Whelton House is a recently completed, individually designed family home that has been finished to the highest of standards, mixing traditional features with a contemporary twist in parts.

The entrance leads to the centrally positioned, wonderful reception hall, with all the principle rooms on the ground floor located off it, giving superb flowing accommodation. There is under floor heating throughout the whole of the ground floor. The L shaped kitchen/dining/family room is the hub of the house, with French doors and bifold doors (from the dining area) leading to the rear patio with great views of the garden, Reabrook and Golf Course. The kitchen itself has a range of wall and floor units, granite worktops, built in Bosch appliances, Quooker tap, a Fisher & Paykel American style fridge freezer, and a large centre island with breakfast bar.

The sitting room is incredibly well proportioned and again benefits from the views to the rear. It has a contemporary style AGA log burning stove and double French doors to the rear patio. Completing the accommodation on the ground floor, there is a study and utility room to the front of the property and also a guest WC.

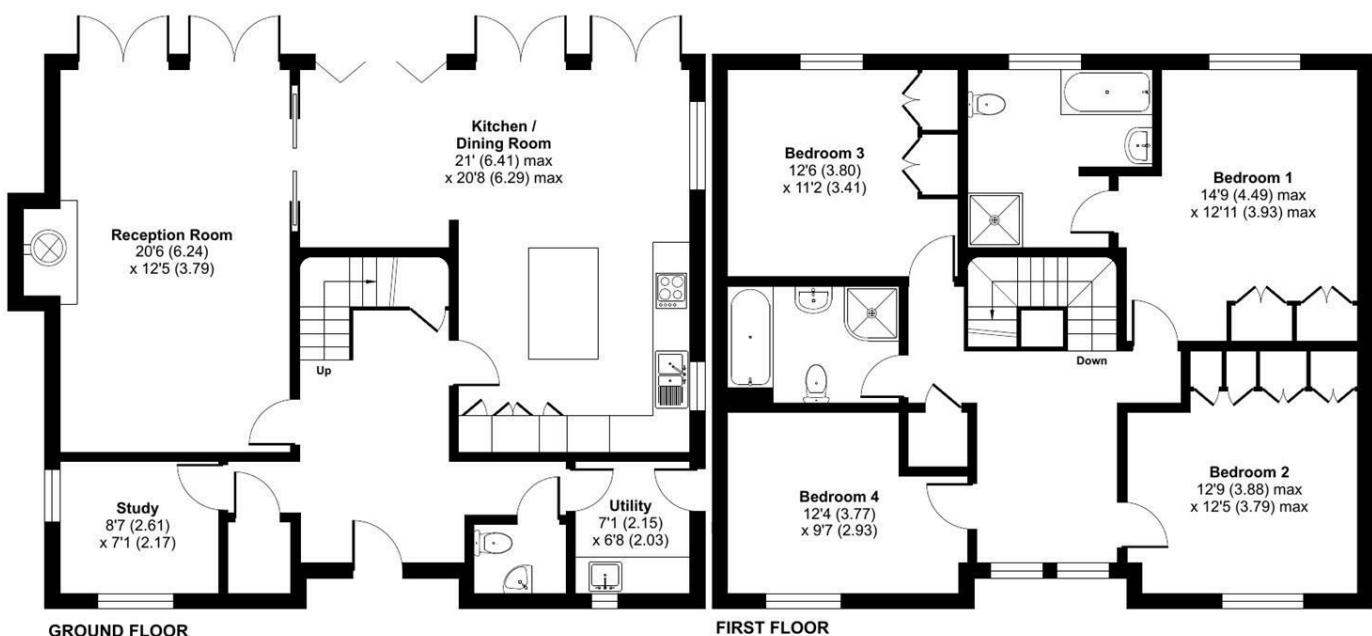

On the first floor there is a large, welcoming landing, with double windows overlooking the drive. The principle bedroom has built in wardrobes and an en-suite bathroom with separate walk in shower. There are three further double bedrooms and a family bathroom.
