- Various access points on to council maintained roadways
- Mature hedge boundaries
- Further 21.9 acres of land available immediately adjacent
- By Informal Tender (12:00 - April 24th)

DESCRIPTION

The land comprises an attractive block of productive pasture land extending in total to approximately 14.6 acres situated on the edge of the popular village of Weston Rhyn, near Oswestry.

The land is currently laid to gently undulating permanent pasture divided into a number of useful enclosures and a small timber livestock handling or holding pen. The fields are bounded by mature hedgerows together with post and wire fencing and benefit from both natural water sources and established field access points.

The land enjoys an attractive rural outlook with views across the surrounding countryside.

There is a further parcel of land positioned immediately north also available for sale, which lies immediately adjacent to the existing built-up boundary of Weston Rhyn village and adjoins residential properties along part of its boundary. As such, the adjoining land may offer longer term strategic development potential subject to the necessary planning consents.

The land is suitable for agricultural, grazing or amenity use and may therefore be of interest to farmers, neighbouring landowners and equestrian purchasers.

The land is available as a whole or in smaller lots depending upon a purchaser's own requirements and offers are invited from all interested parties.

NB.

There is an additional parcel of land available immediately adjacent, as identified on the attached plan. The area delineated in red, on the attached plan, extends to around 21.9 acres and the area delineated in blue extends to around 14.6 acres.

AGRICULTURAL LAND

The land is currently laid to permanent pasture and is suitable for grazing and general agricultural purposes.

The land is understood to comprise Grade 3 agricultural land under the Agricultural Land Classification system. Notwithstanding this classification the pasture appears to be good quality and well drained grazing land which has historically been managed for agricultural use.

ACCESS

Access points are available from Station Road along the eastern boundary together with access from a small country lane running between Station Road and Quinta Road along the western boundary of the land.

SERVICES

There is a reliable natural water supply and the mains water supply is positioned close to the western boundary of the land. Purchasers should make their own enquiries regarding the availability and connection of services.

RIGHTS OF WAY

There is a public footpath crossing through the land which is marked on the accompanying plan.

METHOD OF SALE

The property is offered for sale by Informal Tender. The vendor reserves the right to sell the land as a whole or in lots and will not necessarily accept the highest or any offer received.

INFORMAL TENDER PROCESS
