## Plas Celyn Pentre, Chirk, Wrexham, LL14 5AW

A handsome and deceptively spacious, semi-detached, Victorian, family house offering wonderful traditional features and a versatile layout, set in attractive gardens with a useful outbuilding/garage, whilst set down an enviable country lane with views to the fore.

- Delightful, Victorian, Family Home
- Spacious 3 Storey Accommodation
- Numerous Traditional Features
- Attractive Gardens with Outbuilding
- Lovely, Semi Rural Position
- Easy Access to Commuter Routes

## DIRECTIONS

From Oswestry take the B5069 turning left onto the A5 before Gobowen. Upon reaching the next roundabout take the second exit signposted Chirk. Proceed through the town of Chirk and at the next roundabout take the first exit signposted Llangollen. After half a mile turn right onto B5605 signposted Cefn Mawr. In a quarter of a mile and immediately after the first bend and crossing two bridges (canal and railway) turn right into village. Proceed along the lane, with hedge on right, past school on left. At junction, with post box on right, continue into the dead end straight ahead. Plas Celyn is the last house on the left hand side at the end of the lane.

## SITUATION

The hamlet of Pentre is only a short walk from Offas Dyke and Llangollen Canal, and benefits from a local primary school.

Chirk is based 2 miles away with a range of facilities including small independent shops and convenience stores, post office, train station, garages, cottage hospital, doctors surgery, hotel, leisure centre/swimming pool and cafes/take-aways to serve day to day needs.

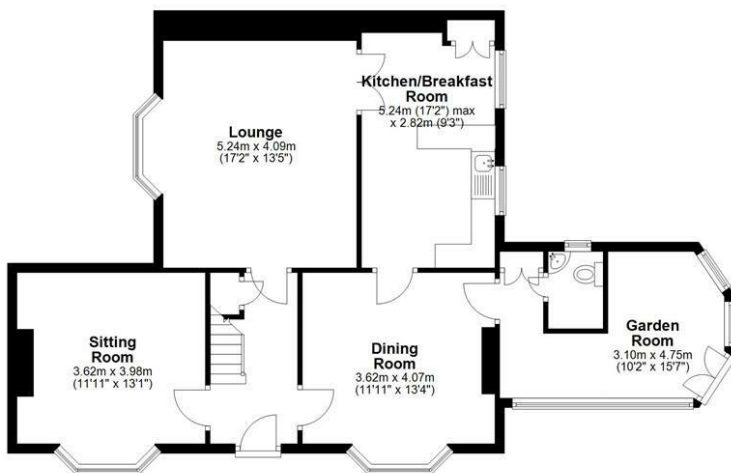

Larger shopping facilities are available in Wrexham (10 miles) and Oswestry (9 miles) whilst the A483/A5 give easy access to other centres such as Shrewsbury and the Midlands and Chester, Merseyside and the North West. Nearby attractions include Chirk Castle, Froncysyllte Aqueduct, Offas Dyke Path and the town of Llangollen.

## DESCRIPTION

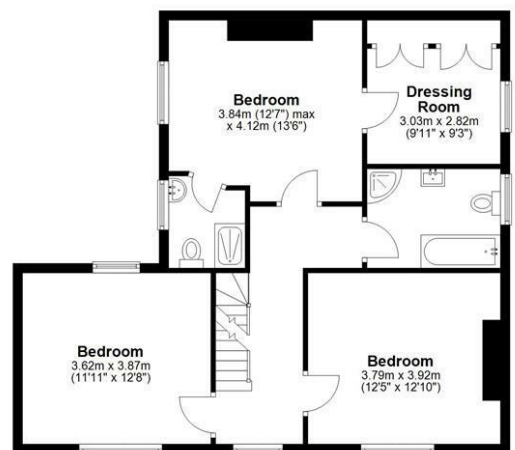

Plas Celyn offers a rare opportunity to acquire such an individual Victorian home and whilst being semi-detached, this belies the wonderful space and natural light to the accommodation design. There are numerous traditional features, including a useful cellar, two of the main reception rooms have woodburning stoves whilst the third reception room has an ornamental fireplace. The conservatory enjoys a lovely outlook onto the garden and also provides a useful entry to the main house. The kitchen has been replaced by the current owners and offers good storage space, a selection of appliances and a designated breakfast area again with a lovely window view onto the garden. On the first floor Bedroom 1 features an en-suite shower room and a dressing room/5th bedroom. The remaining two bedrooms are served by the main combined family bath/shower room. On the second floor there is the principal bedroom which is particularly generous in size and has a lovely mezzanine level which can be used for reading or as a study area and in addition there is an en-suite shower room. Outside there are lovely lawned gardens, seating areas, wood storage and a traditional brick outbuilding which could be converted for various uses - subject to planning consent. This building is currently used as a garage.

#### **EN-SUITE SHOWER ROOM**

With corner shower cubicle having a direct feed shower unit with rain head and handheld attachment, close coupled WC, vanity unit with tiled splash, chrome ladder radiator, wall mounted infrared mirror unit, wood effect vinyl floor covering.

## OUTSIDE

Approached through a gated entrance onto a private driveway (the initial area is shared with the neighbour). This leads to a parking area.

## GARAGE/WORKSHOP

Of brick construction and clay tiled roof. Sliding vehicular metal entrance door providing direct access from the lane and a separate pedestrian door from the garden. It has possible development potential subject to appropriate approval/planning permission as required. It is believed that this building has been reduced in height to remove a previous floor at attic level that was possibly a hay loft when the building was a working stable.

## WOOD STORES

There are two wood stores which are timber lean-to structures attached to the garage/workshop building. Oil storage tank.

## GARDENS

These mainly extend around the house off two elevations and are divided by the gravel driveway. Comprising an ornamental gravelled landscaped area immediately to the front of the house with circular paving. To the front boundary is a wicket gate with block pavier pathway which extends across the frontage of the house and links to the drive. There are various areas of lawn together with a good size mixed hedgerow along the frontage which provides privacy. Borders are well stocked with a mixture of flowering shrubs, herbaceous plants and a mature Yew tree. A pathway extends down the side of the house to a lovely part brick walled enclosed and timber panelled gravel courtyard area which ideal for sitting out in the summer months.
