Timsbury, BA2 0JS

Open To Offers £550,000

Vendors comments - "My Mum and Dad purchased this property thirty years ago when it was first built. They instantly fell in love with the house, the views and the surrounding neighbourhood and never considered moving away. The long walks were a constant joy for them both and the property was perfectly positioned for the local shops and their village church which they both attended. I know their retirement was an active one within the community and they always felt supported by their neighbours - a safe, perfect place to retire or to raise a family in."
