Colebrooke Lodge

Colebrooke Lodge is an exclusive development of 31 one and two bedroom retirement apartments, ideally located in Woodhatch Village, a suburb of Reigate.

Reigate is a historic market town located in South East Surrey, nestled at the foot of the North Downs. The town retains a village feel and is home to a range of independent shops including antiques, crafts, clothing boutiques, furniture and gift ware.

Just a short walk from the development you will find a range of local shops including a bakery, butchers, pharmacy, Co-op, convenience store, hairdressers and a selection of eateries. There is also the Woodhatch Community Centre which is open Monday to Friday for food, classes and socialising.

Priory Park offers 200 acres of open space and woodland, a modern pavilion café and you can visit the magnificent Grade I listed Reigate Priory.

Transport facilities are excellent with direct trains running to London Victoria and London Bridge during peak times, and the South Coast is within easy reach by road or rail. The bus stop is outside the Lodge with routes to Redhill and Reigate towns. A five minute journey by car or bus is Earlswood Lakes where you can have a walk and cup of tea. Gatwick airport is also a short drive away.

The Lodge Manager is on hand throughout the day to support the Owners and keep the development in perfect shape as well as arranging many regular events in the Owners' Lounge from coffee mornings to games afternoons.

A Guest Suite is available for your friends and family to stay in. In addition, you are entitled to use of the Guest Suites at all Churchill Living developments across the country. Prices are available from the Lodge Manager.

Colebrooke Lodge has been designed with safety and security at the forefront. All apartments have an emergency Careline system installed, monitored by the onsite Lodge Manager during the day and 24 hours, 365 days a year by the Careline team. There are integrated intruder alarms, secure video entry systems and sophisticated fire and smoke detection systems throughout both the apartments and communal areas, providing unrivalled peace of mind.
