HALLWAY

3'2" x 10'1" (0.97m x 3.07m)

Step in from the street through a UPVC double glazed door and you'll find yourself in a sunlit hallway. Natural light spills across the space, guiding you toward two welcoming reception rooms and a staircase that leads to the first floor.

FIRST RECEPTION ROOM

11'0" x 10'8" (3.35m x 3.25m)

The first reception room sits at the front of the house, where sunlight streams in through a generous window and brightens the space. There's ample room for a comfortable two-piece sofa set, as well as extra storage units to keep things tidy. While the room holds plenty of potential, it does require renovation to bring out its best features.

SECOND RECEPTION ROOM

10'2" x 11'2" (3.10m x 3.40m)

Tucked away at the back of the house, the second reception room offers a versatile space that could easily serve as a cozy dining area or an inviting lounge. There's ample room for a two-piece suite, though extra storage options would need to be kept minimal to avoid crowding the space. Natural light filters in through the window, while a classic brick fire surround adds a touch of character and warmth, hinting at evenings gathered around the hearth. The room does require renovation, but it provides direct access to the kitchen, making it especially convenient for meals or entertaining.

KITCHEN

7'3" x 10'2" (2.21m x 3.10m)

Tucked away at the back of the house, the kitchen offers a view out over the yard through a large window, with a door nearby that opens directly outside. While the space is ready for a refresh, it's currently fitted with a mix of wall cabinets, base cupboards, and several drawers, providing ample storage. There's room for free-standing appliances, making it easy to imagine how the kitchen could be updated into a bright, welcoming spot for cooking and gathering.

LANDING

4'0" x 7'8" (1.22m x 2.34m)

The split-level landing is brightened by a skylight window overhead,

casting natural light across the space. From here, you can access the property's two generously sized double bedrooms and the family bathroom, all thoughtfully arranged to enhance both comfort and privacy.

BEDROOM ONE

14'0" x 10'7" (4.27m x 3.23m)

The first bedroom faces the front of the house and offers plenty of space for a double bed, as well as larger wardrobes or storage units. Natural light comes in through the window, brightening up the room during the day. Like the rest of the home, this bedroom is ready for renovations and could be transformed to suit your style.

BEDROOM TWO

8'3" x 11'3" (2.51m x 3.43m)

The second bedroom sits at the heart of the first floor, offering enough space for a comfortable double bed and generous storage options like wardrobes or dressers. Natural light filters in through the window, highlighting the soft, modern grey carpet that spans the floor.

FAMILY BATHROOM

7'3" x 10'4" (2.21m x 3.15m)

Tucked away at the back of the first floor, the family bathroom offers a classic three-piece suite: a paneled bathtub perfect for evening soaks, a practical hand basin, and a low-level toilet. Natural light filters in softly through the frosted window, providing privacy while still brightening the space. While functional, the room shows clear signs of wear, making it a prime candidate for thoughtful renovations and modern updates.
