From here, broad entryways beckon you toward the reception and dining area, while a staircase rises invitingly to the first floor. Just beneath the stairs, a discreet storage cupboard offers the perfect spot to tuck away coats, shoes, or the odds and ends of daily life.

RECEPTION/ DINING ROOM

At the front of the room, you'll find a spacious living area designed to easily accommodate a two-piece suite along with extra furnishings like bookshelves or a coffee table. Natural light streams in through a large UPVC double glazed bay window, while a well-placed radiator ensures the space stays cozy year-round.

Toward the back of the room, there's ample space for a dining table where you can enjoy meals or host gatherings. This area also features its own UPVC double glazed window for added brightness, another radiator for warmth, and a convenient doorway that leads directly into the kitchen.

KITCHEN

The kitchen, fresh from a recent renovation, features sleek matte grey cabinets and drawers lining the walls, their understated finish making a sharp, modern statement. Warm wood-effect worktops run the length of the counters, offering an inviting contrast to the cool-toned units and plenty of space for prepping meals. At the heart of the room, a built-in electric oven sits neatly below a gas hob, framed by practical nooks for your favorite free-standing appliances. Light pours in through a UPVC double glazed door, which leads out to the rear garden, creating an easy flow between indoor cooking and outdoor entertaining.
