## Auction Guide £70,000

### AUCTION INFORMATION

This property is for sale by the Modern Method of Auction, meaning the buyer and seller are to Complete within 56 days (the "Reservation Period"). Interested parties personal data will be shared with the Auctioneer (iamsold).

If considering buying with a mortgage, inspect and consider the property carefully with your lender before bidding.

A Buyer Information Pack is provided. The winning bidder will pay £349.00 including VAT for this pack which you must view before bidding.

The buyer signs a Reservation Agreement and makes payment of a non-refundable Reservation Fee of 4.5% of the purchase price including VAT, subject to a minimum of £6,600.00 including VAT. This is paid to reserve the property to the buyer during the Reservation Period and is paid in addition to the purchase price. This is considered within calculations for Stamp Duty Land Tax.

Services may be recommended by the Agent or Auctioneer in which they will receive payment from the service provider if the service is taken. Payment varies but will be no more than £450.00. These services are optional.

### COMMERCIAL ENTRANCE

6'2" x 9'4" (1.88m x 2.84m)

Step inside through a sturdy UPVC double glazed door and you'll find yourself in a generously sized waiting room, bathed in natural light from large UPVC double glazed windows overlooking the front of the building. From here, you have direct access to the first commercial room.

### COMMERICAL ROOM ONE

11'9" x 13'3" (3.58m x 4.04m)

The first commercial room is spacious and easily accessed from the waiting area. Its crisp white walls create a bright, welcoming atmosphere, while built-in storage units offer practical organization for supplies or equipment. The floor is covered with durable, easy-to-clean material designed to withstand heavy foot traffic. At the far end of the room, a doorway leads directly into the rear hallway, making movement through the space convenient and efficient.

### COMMERCIAL ROOM TWO

14'10" x 9'6" (4.52m x 2.90m)

The second commercial room is located at the back of the property, offering added privacy and quiet. Its walls are freshly painted in crisp white, creating a bright and inviting atmosphere. A large UPVC double glazed window lets in plenty of natural light while providing excellent insulation. The room features a sturdy, hard-wearing floor that's ideal for heavy use, and a modern radiator ensures the space stays comfortable year-round.

### COMMERCIAL TOILET

9'1" x 3'6" (2.77m x 1.07m)

The commercial restroom features a practical two-piece setup, consisting of a low-level toilet and a matching hand basin. The walls are painted a crisp,

clean white, creating a bright and inviting atmosphere. Durable, hard-wearing flooring extends across the entire space, designed to withstand heavy foot traffic and frequent cleaning. A radiator is mounted along one wall, ensuring the room remains comfortably warm throughout the year.

### RESIDENTIAL ENTRANCE

5'5" x 4'4" (1.65m x 1.32m)

Step inside through a crisp white UPVC door and you're greeted by a spacious hallway with soaring high ceilings. The hallway acts as the central hub of the home, offering a clear path to the first floor above, the lower level below, and leading directly into the first reception room.

### GROUND FLOOR RECEPTION ROOM

11'9" x 11'9" (3.58m x 3.58m)

The first reception room sits at the rear of the property, offering a peaceful retreat away from the street.
