### HALLWAY

3'4" x 10'3" (1.02m x 3.12m)

Stepping through a sleek black composite door from the front garden, you're greeted by a sunlit hallway that welcomes you inside and leads on to both the main reception room and the staircase to the first floor.

### RECEPTION ROOM

10'2" x 16'10" (3.10m x 5.13m)

The first reception room sits at the front of the house, welcoming you with its generous proportions and bright, airy feel. Sunlight pours in through a large UPVC double glazed window, illuminating the space and highlighting the soft tones of the painted walls. There's more than enough room for a two-piece suite, plus extra furnishings—think a reading chair by the window or a sideboard along one wall—without ever feeling cramped. A radiator keeps the room cozy, and a wide doorway leads seamlessly into the kitchen and dining area, making the layout perfect for both relaxing and entertaining.

### KITCHEN/ DINER

16'10" x 10'11" (5.13m x 3.33m)

The kitchen and dining area stretch across the back of the house, catching plenty of natural light. Along one wall, you'll find sleek, white high-gloss cabinets—everything from overhead cupboards to deep drawers—offering plenty of storage and a modern feel. Built-in appliances are tucked in neatly, including an oven with a smooth hob above, a full-sized fridge freezer, and a dishwasher, so you have all the essentials without cluttering up the space.

The dark grey worktops make a bold contrast against the white cabinetry, giving the room a crisp, contemporary look. A large UPVC double-glazed window frames the view outside, bringing in daylight and making the space feel open and welcoming. There's more than enough room here for a generous dining table—perfect for big family meals or hosting friends—with elegant French doors that open out into the rear garden, making it easy to step outside or let in fresh air. From here, you also have direct access to the second reception room and the utility room, making the kitchen truly the heart of the home and connecting each part of the ground floor together.

### SECOND RECEPTION ROOM

9'4" x 12'2" (2.84m x 3.71m )

The garage has been transformed into a spacious second reception room, easily accommodating a generous corner sofa and several storage units. Warm wooden wall panels add character to the space, while soft carpeting underfoot gives the room a cozy, inviting feel. Fresh white walls reflect the light, making the area feel bright, open, and welcoming.

### UTILITY ROOM

6'4" x 5'8" (1.93m x 1.73m)

Step through the kitchen into a spacious utility room, thoughtfully designed with extra storage for all your household essentials. Here, you'll find dedicated spaces for both a washing machine and a dryer, keeping laundry tasks tucked away from the main living areas.

### GROUND FLOOR W.C

6'5" x 2'10" (1.96m x 0.86m)

The ground floor w.c features a contemporary two-piece suite, consisting of a sleek

hand basin and a low-level toilet. Above the basin, a crisp tile splashback adds a practical and stylish touch, while a radiator keeps the space warm and comfortable. The room is finished with modern flooring that complements the overall design, creating a clean and inviting atmosphere.

### LANDING

9'9" x 3'4" (2.97m x 1.02m)

The landing gains access to the three spacious bedrooms and family bathroom.

### BEDROOM ONE

The main bedroom sits at the front of the property, drawing in natural light through a large UPVC double-glazed window that frames the view. There's ample space for a king size bed, flanked by bedside cabinets, while modern wall paneling adds a sleek, contemporary feel. Storage is no afterthought here—you'll find a generous built-in sliding wardrobe along one wall, and another seamlessly integrated sliding wardrobe just before the entrance to the En-Suite. Plush carpeting underfoot and a well-placed radiator complete the room, making it both comfortable and inviting.

### EN-SUITE

6'6" x 6'10" (1.98m x 2.08m)

The en-suite is impressively spacious, offering plenty of room to move around and unwind. It features a modern three-piece suite: a generous step-in shower equipped with a thermostatic shower unit and enclosed by a sleek glass screen, a stylish hand basin set into a contemporary vanity, and a discreet low-level W.C. Natural light softly filters in through a frosted UPVC double-glazed window, creating a bright yet private atmosphere. The second bedroom sits at the front of the house, catching the natural light that spills in through a large UPVC double-glazed window. ### BEDROOM THREE

7'10" x 10'11" (2.39m x 3.33m)
