HALLWAY

15'9" x 6'0" (4.80m x 1.83m)

Entering from the front garden, you step through a pristine white UPVC double glazed door and into a bright, welcoming hallway. Natural light spills across the sleek laminate flooring, highlighting the modern lines of the space. From here, doorways lead off to the spacious reception and dining room, the well-appointed kitchen, and a staircase rising to the first floor. A radiator sits neatly along one wall, adding both warmth and comfort to the inviting entryway.

RECEPTION/ DINING ROOM

14'2" x 11'3" - 11'11" x 11'2" (4.32m x 3.43m - 3.63m x 3.40m)

The reception area greets you as you step inside the property, positioned right at the front for a welcoming first impression. There's ample space here for your favorite two-piece sofa set, with room left over for a couple of storage pieces—so you don't have to worry about clutter. The bay window, crafted from UPVC double glazing, lets in a generous wash of daylight while giving you a lovely spot to watch the world go by. A feature fire surround, complete with a log burner, adds a cozy touch and hints at the comfort waiting within.

Moving toward the back of the room, you'll find a dedicated dining space that easily accommodates a large dining table, perfect for hosting family meals or dinner parties with friends. This section is lit by another UPVC double glazed window that frames the outdoor view and helps keep the room bright. A radiator provides warmth on chilly evenings, while twin alcoves on either side of the space offer the ideal nooks for additional storage units, shelving, or even display cabinets—making organization that much simpler.

KITCHEN

9'4" x 15'7" (2.84m x 4.75m)

The kitchen stretches out generously, with plenty of room to move and work. Soft, light-colored cabinets line the walls, drawers, and base units, each finished with distinctive rose gold handles that catch the light and add a touch of elegance. Deep, dark countertops run the length of the kitchen, creating a striking contrast against the cabinetry. A built-in double oven and sleek ceramic hob offer all you need for serious cooking, neatly topped by a modern extractor fan. There's still space for free-standing appliances of your choice—whether that's an extra fridge, a dishwasher, or both. Natural light pours in through a large UPVC double glazed window and a matching door, both helping keep the room bright and airy. Practical touches are everywhere: there's direct access to handy understairs storage, a connecting door to the garage, and a comfortable breakfast bar perfect for coffee or a quick meal.
