The Property

Perched in a prominent setting, overlooking Perranporth with views over the beach and coastline, is this detached four-bedroom, two-reception-room coastal home.

With reverse accommodation giving you a beautifully light open-plan family room/kitchen/diner on the first floor, so you can take in the stunning views, and a lovely sun-filled living room on the lower floor that leads out to the gardens, this makes a great family room or holiday home.

The property can be accessed via Ramoth Way, where you will find parking for two cars, or off Budnic Hill that not only provides further parking but also has planning permission to build a detached garage.

Full accommodation comprises the family room/kitchen, double bedroom, and shower room on the upper floor, and on the lower floor, the living room, bathroom, and three further double bedrooms, with the master bedroom enjoying an en-suite shower room.

Gardens

The gardens for the property are set at the front and the rear. At the rear, there is a decked seating area providing a space for relaxation, complemented by steps that lead up to a convenient parking area accommodating two cars.

To the front, you'll find an enchanting enclosed lawn garden that offers a perfect vantage point to savor the captivating views. Additionally, a private winding path leads down to an extra parking space, offering the possibility of adding a garage—a feature for which planning permission was already granted during the property's construction, providing you with a wonderful opportunity for further enhancement.

Parking

The property benefits from two parking areas, both providing parking for at least two cars. The first area is to the rear of the property, accessed from Ramoth Way and the second area is to the front, off Budnic Hill.

The area to the front would be the location for the garage if any buyer was looking to take up the planning permission and add a garage to the property.
