Overview

Situated in the sought-after residential location of Droskyn Way, towards the edge of the popular coastal village of Perranporth on the north coast of Cornwall, is this generously proportioned three bedroomed semi-detached bungalow with garage, private off-road parking and large enclosed rear garden. Originally built in the 1960s, the property's layout has been thoughtfully reconfigured by the current owners to create an attractive and versatile contemporary family home. From the front entrance porch a central hallway provides access to three double bedrooms, family bathroom and generous primary living room with large picture window to the front aspect. From the living room, double sliding wooden doors open into a good-sized kitchen, with units to three sides and opening to the beautifully light and spacious lounge/diner with lovely far-reaching views over the garden to Perranporth village and surrounding coastal and country landscape. From the lounge/diner double patio doors open to a large enclosed garden with tantalising glimpses of Perranporth beach and surrounding coastline from the rear steps. A side door provides access to the attached single garage. Two additional block buildings to the rear of the garage, currently used for storage, suggest good potential for further development, subject to appropriate permissions. The property further benefits from uPVC double glazing throughout and recently-installed air source central heating and photovoltaic solar roof panels.
