## The Apartment

This first-floor, two double-bedroom apartment is larger than most on this development. Due to the large corner plot, the apartment benefits from two very large double bedrooms, a spacious and light-filled living room, a kitchen with a range of white-fronted wall and base units, and a modern shower room.

Due to the size and location, the apartment would suit many kinds of buyer, from a first-time buyer to retirement, from a second home to residential let or downsize. All of this is due not just to the overall size, but also the location. Within a short walk, you have a local shop, a petrol station, a supermarket, and then the centre of Perranporth, with its array of shops, coffee shops, sports clubs, and more. All of this is set around the famous three miles of golden sandy beach that Perranporth is known for.

To the outside of the apartment, there are communal lawned areas, a drying area, and parking. In addition, the property benefits from a garage.
