The Property

Available for the first time since its construction as a new build, this extremely well-presented three-bedroom semi-detached home. Originally designed as a two-bedroom property, the current owners have thoughtfully reconfigured the layout to create three bedrooms – comprising two doubles and one single.

Positioned as the final home within the development, the property benefits from minimal passing traffic and enjoys a pleasant outlook across open fields with Scorrier House beyond, providing both privacy and an attractive backdrop.

The ground floor accommodation includes an entrance hall, a bright living room, a kitchen/diner with a generous walk-in storage cupboard/pantry, a rear hallway, and a cloakroom/WC. On the first floor there are three bedrooms and a family bathroom.

Externally, the property boasts a good-sized enclosed garden with a large shed, together with driveway parking for two vehicles.

Located in the village of Scorrier this property is ideal located for anyone wishing to have easy access the Cornish town of Redruth and is with a short drive or the coastal resorts of Porthtowan or Perranporth. Access to the A30 is close by for those needing to travel throughout Cornwall.
