Overview

Sitting just off Mill Road in the charming rural hamlet of Bolingey, near Perranporth, is this beautifully-realised contemporary detached bungalow. Completed in mid-2022, the property offers generous modern living accommodation and boasts high-quality fixtures and fittings throughout. In addition to the principal living accommodation there is a superb detached cabin-style garden building, currently arranged as a craft room/studio, though suitable for use as ancillary self-contained accommodation, subject to the appropriate permissions. The property occupies an attractive leatside position, with ample off-road parking and generous low-maintenance rear gardens fringed by well-established trees and shrubs. The coastal village of Perranporth is within a short-level walk and can now also be accessed via the recently-completed 'Saints Trail' cycle route.

The Property

From the large front driveway/parking area an Italian porcelain slabbed pathway leads to the composite side main entrance door. An inner hallway with built-in cloak storage and airing cupboard provides access to the property's two well-proportioned double bedrooms, including the plush master ensuite, and luxurious shower room/WC. At the heart of the property is the beautifully light and spacious open plan kitchen/diner with its exposed beam vaulted-ceiling and double patio doors to the rear garden. The kitchen boasts a good range of quality

integrated appliances and finishes including leather finish black granite work surfaces, central island and bespoke fitted seating. Glazed double doors lead to a cosy private lounge, also with a vaulted ceiling and French patio doors to the rear.

Gardens, Grounds & Outbuildings

To the front of the property a large tarmacked driveway provides off-road parking space for approximately 4/5 vehicles. A stone slabbed pathway extends around the perimeter of the bungalow, fringed by low stone walls, reclaimed timber railway sleepers and wooden fencing. At the rear is an attractive enclosed garden with elevated patio, timber pergola and stone steps leading to an additional paved seating area. The detached timber cabin, with electric and plumbing connections, sits towards the rear boundary.

Situation

The property is situated within comfortable walking distance of the coastal village of Perranporth, with its excellent range of shops, amenities and glorious three-mile long surfing beach. Bolingey itself boasts the charming seventeenth-century Bolingey Inn and Black Flag Brewery as well as numerous rural footpaths and the newly-completed "Saints' Way" cycle path linking the hamlet to Perranporth and the nearby village of Goonhavern.
