A lovely three bedroom, two bathroom terraced home brimming with natural light and a delightful blend of modern and original elements. Situated in Leyton, you're close to a great deal of local parks as well as Lea Bridge Road and Leyton High Road.

The elegant open layout makes the most of your near 1200 square feet of living space, blending modern touches with timeless finishes. Bright colour accents and golden wood details add character, and with your loft space so far untouched there's even scope for further expansion.

You're perfectly positioned between Lea Bridge Road and Leyton Midland Road stations, giving you easy access to Stratford and the Overground. Along with your charming private rear garden, the neighbourhood offers plenty of green spaces to enjoy, while the best of Leyton and Walthamstow are just a short walk away.

YOUR NEW HOME

You'll love the beautifully maintained frontage; a classic brick façade, crisp white window frames, and an elegant navy blue front door.

Step inside and to the right, your reception room overlooks your front yard through a classic Victorian bay
