LOCATION

Foxfield is situated in a semi-rural location overlooking Hope Mountain in the pretty village of Hope. As tranquil as Hope is, it does have all the local amenities a family could want; a village convenience store, pub, post office, medical centre, an excellent primary school and the highly successful Castell Alun High School, rated as one of the top schools in North Wales, all within walking distance. There is an ancient church at one end of the village and historical castle ruins at the other end with the beautiful Alyn River meandering through. Foxfield has the best of both worlds and is just a 15 minute drive from the historic city of Chester with its first class shops, bars and restaurants and only a 12 minute drive from the popular market town of Mold. There are regular direct bus routes to Mold and Wrexham. Hope is well served by rail lines also with the railway station just 0.4 miles from Foxfield with direct routes to Wrexham, Biston and the Wirral, with one change for Chester. There is also very easy access via the A483 to M53, M56 and M6 to the major cities in the North West and two international airports at Liverpool and Manchester. Wrexham also is another great option with a variety of High Street shops, cinema, bars, restaurants, horse racing at Bangor-on-Dee and of course home to the now famous Wrexham Football Club. Other places of interest are Erddig Hall, Chirk Castle, the Historical Town of Llangollen, Loggerheads & Moel Famau Country Park in Area of Outstanding Natural Beauty (AONB) and slightly further afield Snowdonia is about 40 minutes away.
