Property Description

A very nicely presented 2 double-bedroom end of terrace home which benefits from being on a really spacious plot, therefore providing ample scope to enlarge if required (subject to planning permission); it also has the benefits of a sunny, westerly aspect to the rear garden.

Inside, this home is presented in lovely condition and boasts gas central heating and double-glazing; ready to move in with the minimum of stress or refurbishment required. There are 2 good size double bedrooms and a first floor bathroom; downstairs has a through lounge, plus a well-appointed kitchen with room for a good size table and chairs.

To the front it has its own driveway with off-street parking for at least 2 cars. The home is located in a primarily residential area and within access of buses, shops, schools as well as Molesey Heath open spaces.

We would encourage an early viewing to fully appreciate this lovely home.
