All measurements are approximate and for display purposes only.

## Property Description

Rawlinson and Webber are delighted to offer for sale, with no onward chain, this impressive 3/4 bedroom three-storey townhouse. Situated in a superb location, the property presents an excellent opportunity for buyers seeking generous living space with natural light. It also offers the potential for future re-modelling of the ground floor to provide extensive further living space.

The ground floor comprises an entrance hallway with stair access, a versatile reception room/study with direct access to the rear garden, a utility room, and a separate W/C. Amtico-style flooring runs throughout the hallway and rear reception room, adding a contemporary finish. The integral garage offers potential for conversion (STPP), creating the opportunity to reconfigure and expand the ground-floor living accommodation if desired.

To the first floor, a spacious lounge enjoys attractive views over the large garden square. The well-appointed kitchen provides ample eye- and base-level units, a newly installed hob, and an integrated dishwasher.

The second floor comprises two double bedrooms, a further third bedroom, and a modern family bathroom fitted in 2021, featuring a separate bath and standalone shower cubicle. A convenient loft space provides additional storage.

Externally, the property benefits from off-street parking via its own driveway leading to the integral garage, along with a south-facing rear garden with rear access. Early viewings are highly recommended.
