## **Property Description**

Florian House is a beautifully presented, light-filled Victorian home brimming with charm and character. Arranged over three floors, the property offers four double bedrooms and 4 bathrooms and boasts a delightful courtyard garden.

The ground floor is approached via an impressive stained-glass front door. To the left lies a bright and spacious reception room, featuring four large windows and a striking period fireplace that forms the central focal point, flanked by practical built-in cupboards and shelving. To the right is a versatile sitting room—ideal as a formal dining area—which connects to a study and a conveniently located shower room.

The sitting room flows seamlessly into the stunning kitchen/dining space, a true highlight of the home. With its lofty ceilings and bi-fold doors opening directly onto the courtyard, this room is flooded with natural light. A wall of elegant pale grey cabinetry is complemented by a central island with contrasting dark units, topped with marble and finished with an extended wooden breakfast bar. The layout offers ample space for a large dining table, while a separate utility room adds further practicality.

On the first floor, the dual-aspect principal bedroom includes built-in wardrobes and a stylish en-suite shower room. A second well-proportioned bedroom, complete with extensive fitted wardrobes, sits alongside the modern family bathroom.

The top floor provides two further bright and spacious bedrooms, enhanced by a mix of windows and skylights. Bedroom three enjoys its own en suite bathroom, while both rooms benefit from generous eaves storage.

Externally, the property offers a beautifully maintained courtyard garden to the side, with a gate leading through to the graveled driveway, providing offstreet parking for two vehicles. A charming front garden, accessed via a wrought-iron gate, sets a welcoming tone on arrival.
