A beautiful ground floor studio apartment located within a well-kept development in East Putney. Offering a spacious living area and an open plan modern kitchen, this unique apartment offers excellent space and storage throughout with calming views of the communal gardens. Along with a modern bathroom with shower over bath and a small private balcony, this property has a fantastic amount of natural light with wood flooring. The property also benefits from being only a short walk to the Tube station as well as the shops and amenities of Putney High Street and the Upper Richmond Road. Street parking may also be available via a permit from the council but you will need to verify this with the council.
