A truly beautiful two double bedroom conversion flat located on the first floor of this impressive period house. Located a short walk to the High Street and all transport, it's also within walking distance to the embankment and the Riverside shops and restaurants along the Lower Richmond Road. The property boasts spacious bedrooms, a large bright lounge with dining area, a separate fitted kitchen with dishwasher and a bathroom with shower. The whole property exudes style and sophistication with an abundance of natural light and neutral decoration throughout. Street parking may be available through a permit with the council and would be perfect for those professional couples who need a bit of extra space or those that need to work from home. Early viewings are highly recommended.
