Chamberland Residential are pleased to market this incredible four bedroom home that is located in an excellent proximity to Charing Cross Hospital, all of Hammersmith's amenities and the underground station is within walking distance. The property is based over three floors and offers style and sophistication throughout with access to a private side return and a small private garden to the rear of the house. The ground floor comprises of a double reception area with doors leading to the side return, a modern family bathroom with shower over bath, a large fitted kitchen with garden access, an American style fridge/freezer, a dishwasher and a gas hob with great storage throughout the room. The first floor comprises a contemporary shower room, a bright double bedroom with built in cupboards, a further large master bedroom with incredible natural light and a wall full of built in cupboards. A third bedroom completes the second floor, again with ample built in storage. The top floor offers a spacious double bedroom with two velux windows, built in cupboard's and a Juliet balcony overlooking the back garden area. There is a modern ensuite bathroom that boasts a separate shower area, a roll top bath and a double basin area that's perfect for him/ her. This house would be perfect for a family that wishes for space, storage (separate cellar) and contemporary living whilst being within walking distance to transport and amenities. Parking is on street via permit.

212 Upper Richmond Road, Putney, London, SW15 6TD
