A beautifully finished luxury apartment in the newly built Filaments development. This modern property is located within walking distance to the overland station and only moments to the Southside shopping centre and King George park. With impressive views from the eight floor, it offers underfloor heating, a private south facing balcony, a bright reception room, a contemporary fitted kitchen with wine cooler and dishwasher, a stylish bathroom with shower and a double bedroom with a custom fitted wardrobe and further access to the balcony. There is no parking available with this property and the EPC rating is an impressive B.
