The Property

Nestled in the vibrant and historic town of Stratford-upon-Avon, this beautifully presented, four-bedroom detached residence showcases spacious, stylish, and adaptable living throughout. With an appealing exterior and situated in a sought-after area near the Maybird Shopping Centre and excellent transport links, this home is perfect for families or those looking to downsize, offering comfort, space, and a hint of luxury.

Upon entering through the front door, you are greeted by a magnificent entrance hallway that sets a welcoming tone for the entire home. The standout feature here is the striking staircase, which brings a sense of grandeur and fills the area with natural light.

To the left of the hallway lies a generously sized, full-width living room - an excellent area for entertaining guests or unwinding with family. Bright and airy, this room boasts double doors that lead directly to the rear garden.

On the right side of the hall is a separate dining room, ideal for formal gatherings or easily convertible into a home office or study for remote workers. A convenient downstairs WC and a useful under-stairs storage cupboard round out the hallway.

At the rear of the property, you will find a stunning open-plan kitchen and dining area, crafted with both practicality and elegance in mind. The kitchen is equipped with fully integrated appliances, plenty of cupboard and countertop space, and a central breakfast bar with seating for four—a delightful spot for casual meals. If preferred, the breakfast bar can be removed to make way for a larger dining table.

French doors from the kitchen open out to the garden, creating a perfect setting for summer entertaining. Additionally, a separate utility room, conveniently located just off the kitchen, provides space for a washer and dryer along with a sink, making it ideal for dog owners or for cleaning up after muddy countryside walks.

Upstairs, the property continues to impress with four spacious bedrooms. The master bedroom serves as a true retreat, featuring a generous layout and a sleek, modern en-suite shower room that is finished to a high standard. Bedrooms two and three are both well-sized double rooms, perfect for family or guests, while the fourth bedroom is an excellent choice for a nursery, dressing room, or office. The main family bathroom is beautifully designed with modern tiling and includes a shower over the bath.

The rear garden is low maintenance, fully enclosed, and wonderfully private—perfect for unwinding or hosting outdoor gatherings. A walled surround adds character and security. The property also includes a driveway that accommodates parking for two vehicles and a spacious garage, providing extra storage or workshop potential.
